Amy's Army is a dedicated group of volunteers who are searching for a matching stem cell (marrow) donor for Amy. We organize marrow drives in Pittsburgh and across the country to help Amy & thousands like her seeking their life-saving match.

Join the Bone Marrow Registry, and you become part of a world wide network of volunteer donors with the potential to save a life if you're ever found to be someone's miracle match.

Although the testing costs of \$70/person are covered, Amy's Army continues to fundraise to offset these costs. You can help by sending a contribution to: Amy's Army, 1193 Lakemont Drive, Pgh, PA 15243.
