

Help Save a Life! ***Amy's Army Marrow Drive*** ***Cheek-Swab Testing***

**14-year-old Pittsburgh Girl, Amy Katz,
was diagnosed with Leukemia in 2003.
You might be her miracle match!**

Tuesday, March 27, 2007
7:00 AM to 7:00 PM

Wintergarden at PPG

Stanwix St. & 4th Ave., Downtown Pittsburgh, PA

Signing up to be a potential stem cell donor will enter your information into the National Bone Marrow Registry to benefit our Amy and other patients worldwide in need of a lifesaving donor match. Learn more at: www.AmysArmy.org

- The test consists of a simple cheek-swab sample taken with a **cotton swab**.
- You **must be between the ages of 18 and 60 years old**.
- Download and fill out the consent form in advance to save time.
- **No blood is taken**. You can register even if you just donated blood.
- **You pay nothing**. All fees are covered by Amy's Army and the HLA Registry.

Amy's Army is a 100% volunteer group searching for a stem cell donor for young Amy Katz.

You can be a Real Life Superhero!
